

Inaugural Innovations in HVAC Charity Golf Tournament

May 6, 2024 | TPC Potomac at Avenel Farm

IN SUPPORT OF

Havtech's Innovations in HVAC Charity Golf Tournament

Havtech's 2024 golf event will be the Inaugural Innovations in HVAC Charity Golf Tournament, supporting two charitable organizations - *The Leukemia & Lymphoma Society (LLS)* and the *Ulman Foundation*. This event aims to raise awareness and funds for organizations committed to providing information, resources, and support for adolescents and young adults (AYA) with cancer. Join us for a fun-filled day on the golf course and help us make a difference!

OUR GOAL

Our goal is to support organizations dedicated to improving the lives of adolescents and young adults (AYA) with cancer by increasing awareness and raising funds.

OUR BENEFICIARIES

The Leukemia & Lymphoma Society (LLS) works to cure leukemia, lymphoma, Hodgkin's disease, and myeloma by funding cancer research and providing education and patient services. LLS helps patients navigate treatment, hosts community events, and advocates for policies to improve access to quality, affordable healthcare.

The Ulman Foundation supports young adults who have been impacted by cancer. They offer community programs, events, and resources to help these individuals continue living life after diagnosis and treatment. The Ulman House serves as a supportive home environment during intense outpatient treatments. Their mission focuses on the unique needs of young adults fighting cancer.
